## Cocoa Class

If you weren't one of the 1,000 attendees at **Chocolate! 2006**, you missed the indulgence of the year. Everything from truffles to wedding cakes could be found...as long as it was made of the sinful substance. The sixth annual event, held at **Villa Christina**, proved to be another sweet success. The guests, who included notable Atlanta entrepreneur **Wes Moss** and high-profile defense attorney **Bruce Harvey**, filed into the venue ready to experience a truly filling experience. **Genevieve Gorder**,

the evening's host and striking designer on TLC's *Trading Spaces*, was perfectly down-to-earth as she made the rounds, dressed in a silk dress by Pink Tartan, on the arm of her fiancé, **Tyler Harcott**, host of the Style Network's *Guess Who's Coming to Decorate*. "Summertime and chocolate...what a great way to bring people together for a wonderful cause," Gorder commented with a smile. A wonderful cause is right; the evening raised more than \$75,000 for the **Cystic Fibrosis Foundation**.
